### SCHOOL NOTES.

Two bells rang at 2:30 Friday afternoon. Everyone trouped joyfully into assembly and listened to a most excellent program given by the Alpha Sigma Society. The Delta Kappa's had been kindly invited to attend and greatly appreciated the invitation and enjoyed the program. Commercial Notes This week Ivan Ray received from the Underwood Typewriter Company a black leather card case containing a special credential certificate for 64 words net, per minute. This test was taken on new material which was sent to the New York office to be graded. We are very proud of Ivan. He now holds the speed record of the Butler High School.
